INTERNAL ELC COMMITTEES

TOUCH A TRUCK AND COMMUNITY EDUCATION

Education gathering for young children in the community to explore big trucks and learn what they do.

SCHOOL VISITS

Awareness/education events featuring Share the Road themed programs for various grade levels and schools.

CHILDREN'S BOOK

Creation and publication of trucking book for children benefitting the TXTA Foundation.

CHRISTMAS TOY DRIVE

Toy collection and logistics work benefitting a community nonprofit of choice.

TRUCK DRIVER APPRECIATION

Events focusing on driver appreciation and safety/industry education for motoring public.

FUNDRAISING

Events benefitting PAC/LVF or Foundation hosted in various cities across the state.

LEGISLATIVE/REGULATORY

Discuss new legislation or regulatory changes affecting the industry. Make decisions as to current and future focuses for the association.

MEMBERSHIP/AFFINITY

Focus on ways to increase and retain carrier members of all size fleets as well as allied members. Discuss successes or opportunities for local chapter meetings.

Evaluate allied companies interested in partnering with the association to bring discounts to members and create non-dues revenue streams for the association.

INTERMODAL

Focus on issues affecting the intermodal community in Houston and Dallas.

TRUCKPAC

Work to establish a platform to support legislators and state races in Texas.

EDUCATION

Develop programming for the TXTA Online University and for the Annual Conference.

BUILDING

Oversee activity related to the sale of the TXTA property at 700 E 11th Street and impending new construction.

ELC Members have the opportunity to engage in the planning and decision making process, direct activities and create TXTA policies for the coming year. These outlets allow members to share pertinent information on various subjects affecting the trucking industry.
