

Technician of the Year

The Technician of the Year Contest is presented by TXTA Fleet Maintenance Council and proudly sponsored by Eaton Cummins Automated Transmission Technologies. The contest will be held on June 3 at the TSTC Diesel Technology Center in Waco, Texas.

Technicians will compete for cash and other prizes as they rotate through a series of hands-on workstations plus a written test. The competition is limited to 26 professional technicians and companies are limited to two participants.

In addition to bragging rights, the top technician will have the honor of representing Texas as our State Champion at the ATA TMC SuperTech Competition in Cleveland, September 17–21.

Winners will be announced in the evening on June 3 at the Waco Hilton. The top five winners will also be recognized at the Safety & Maintenance Awards Luncheon on July 27 during TXTA's Annual Conference at the JW Marriott San Antonio Hill Country Resort.
